WEST SIDE STORY

SOMETHING'S COMING

Could be
Who knows?

There's something due any day
I don't know right away
Soon as it shows
It may come cannonballin' down through the sky
Gleam in its eye
Bright as a rose!
Who knows?
It's only just out of reach
Down the block, on a beach
Under a tree
I got a feeling there's a miracle due
Gonna come true
Coming to me

Could it be?
Yes it could
Something's coming
Something good
If I can wait
Something's coming I don't know what it is
But it is
Gonna be great!
With a click
With a shock
Phone'll jingle
Door'll knock
Open the latch!
Something's coming, don't know when
But it's soon

Catch the moon
One handed catch
Around the corner
Or whistling down the river
Come on - deliver
To me

COOL

Boy, boy, crazy boy,
Get cool, boy.
Got a rocket
In your pocket,
Keep coolly cool, boy.

Don't get hot,
'Cause man, you got
Some high times ahead.
Take it slow,
And Daddy-o,
You can live it up and die in bed.

Boy, boy, crazy boy,
Stay loose, boy.
Breeze it, buzz it,
Easy does it,
Turn off the juice, boy.

Go, man, go,
But not like a yoyo schoolboy.
Just play it cool, boy,
Real cool.

TONIGHT

Tonight tonight,
It all began tonight

I saw you and the world went away

Tonight, tonight
There's only you tonight
What you are
What you do
What you say

Today, all day
Had a feeling
A miracle would happen
I know now I was right

For here you are
And what was just a
World is a star, tonight!

AMERICA

I like to be in America!
O.K. by me in America!
Ev'rything free in America!
For a small fee in America!

I like the city of San Juan.
I know a boat you can get on, bye bye!

Hundreds of flowers in full bloom.
Hundreds of people in each room!

Automobile in America,
Chromium steel in America,
Wire-spoke wheel in America,
Very big deal in America!

(Instrumental)

I'll bring a T.V. to San Juan.
If there a current to turn on!

I'll give them new washing machine.
What have they got there to keep clean?

ly ly ly!
ly ly ly!
ly ly ly!
(Instrumental)

SOMEWHERE

Someday, somewhere
We'll fine a new way of living
We'll find a way of forgiving
Someday

There's a place for us
Somewhere a place for us
Peace and quiet and open air
Wait for us
Somewhere
There's a time for us
Some day a time for us
Time together
And time to spare
Time to learn
Time to share
Someday, Somehow
Somewhere, Somewhere

MARY POPPINS

CHIM CHIM CHER-EE

Wind's in the east, mist coming in
Like something is brewing, about to begin
Can't put my finger on what lies in store
I fear what's to happen all happened before
Chim chim cheree, chim chim cheree, chim charoo

Chim chimney, chim chimney, chim chim cheree
A sweep is as lucky as lucky can be
Chim chimney, chim chimney, chim chim cheroo
Good luck will rub off when I shake hands with you
Or blow me a kiss, and that's lucky too

Now as the ladder of life has been strung
You might think a sweep's on the bottomest rung
Though I spent me time in the ashes and smoke
In this whole wide world, there's no happier bloke

Chim chimney, chim chimney, chim chim cheree
A sweep is as lucky as lucky can be
Chim chimney, chim chimney, chim chim cheroo
Good luck will rub off when I shake hands with you

Oh blow me a kiss and that's lucky too!

INSTRUMENTAL

STEP IN TIME

We will step in, step in time
We will step in, step in time
Never need a reason
Never need a rhyme
We will step in, step in time

Over the rooftops, step in time
Over the rooftops, step in time
Never need a reason
Never need a rhyme
Over the rooftops, step in time! (spoken)

Link your elbows, step in time
Link your elbows, step in time
Never need a reason
Never need a rhyme
Link your elbows step in time

Kick your knees up, step in time
Kick your knees up, step in time
Never need a reason
Never need a rhyme
Kick your knees up, step in time

Step in time,
Step in time,
Step Step Step!

Step in time,
Step in time,
Step Step Step!

Never need a reason
Never need rhyme!
Never need a reason
Never need rhyme!

Kick your knees up, kick your knees up, kick your knees up, kick!
Kick your knees up, step in time
Kick your knees up, step in time
Never need a reason

Never need a rhyme
Kick your knees up, step in time.

SUPERCALIFRAGILISTICEXPALIDOCIOUS

Supercalifragilisticexpialidocious
Even though the sound of it is something quite atrocious
If you say it loud enough you'll always sound precocious
Supercalifragilisticexpialidocious
Um diddle diddle diddle um diddle ay
Um diddle diddle diddle um diddle ay

Because I was afraid to speak when I was just a lad
My father gave my nose a tweak and told me I was bad
Then one day I learned a word that saved my achin' nose
The biggest word you ever heard and this is how it goes

Oh, supercalifragilisticexpialidocious
Even though the sound of it is something quite atrocious
If you say it loud enough you'll always sound precocious
Supercalifragilisticexpialidocious
Um diddle diddle diddle um diddle ay
Um diddle diddle diddle um diddle ay

He traveled all around the world and everywhere he went
I'd use my word and all would say, "There goes a clever gent"
When Dukes and maharajahs pass the time of day with me
I say my special word and then they ask me out to tea

Supercalifragilisticexpialidocious
Even though the sound of it is something quite atrocious
If you say it loud enough you'll always sound precocious
Supercalifragilisticexpialidocious
Um diddle diddle diddle um diddle ay
Um diddle diddle diddle um diddle ay

(INSTRUMENTAL)

So when the cat has got your tongue there's no need for dismay
Just summon up this word and then you've got a lot to say
But better use it carefully or it can change your life
One night I said it out so loud it caused me loads of strife

Oh, supercalifragilisticexpialidocious
Even though the sound of it is something quite atrocious
If you say it loud enough you'll always sound precocious
Supercalifragilisticexpialidocious, supercalifragilisticexpialidocious

OKLAHOMA

Oh What a Beautiful Morning

There's a bright golden haze on the medda,
There's a bright golden haze on the medda!

Oklahoma

Oklahoma, where the wind comes sweepin' down the plain
And the wavin' wheat, can sure smell sweet
When the wind comes right behind the rain

Oklahoma, ev'ry night my honey lamb and I
Sit alone and talk, and watch a hawk
Makin' lazy circles in the sky

We know we belong to the land
And the land we belong to is grand!
And when we say
Yeeow! A-yip-i-o-e-ay!
We're only sayin'
You're doin' fine, Oklahoma!
Oklahoma, O.K!

Surrey With the Fringe on the Top

Chicks and ducks and geese better scurry
When I take you out in the surrey,
When I take you out in the surrey with the fringe on top!

Watch that fringe and see how it flutters
When I drive them high steppin' strutters.
Nosey pokes'll peek thru' their shutters and their eyes will pop!

The wheels are yellor, the upholstery's brown,
The dashboard's genuine leather,
With isinglass curtains y' can roll right down,
In case there's a change in the weather.

Two bright sidelight's winkin' and blinkin',
Ain't no finer rig I'm a-thinkin'
You can keep your rig if you're thinkin' 'at I'd keep to swap
Fer that shiny, little surrey with the fringe on the top!
Fer that shiny, little surrey with the fringe on the top!

People Will Say We're in Love

Don't throw bouquets at me
Don't please my folks too much
Don't laugh at my jokes too much
People will say we're in love

Don't sigh and gaze at me
Your sighs are so like mine
Your eyes mustn't glow like mine
People will say we're in love

Don't start collecting things
Give me my rose and my glove
Sweetheart, they're suspecting things
People will say we're in love

Oklahoma

Oklahoma, where the wind comes sweepin' down the plain, Oklahoma!
And the wavin' wheat, can sure smell sweet, When the wind comes right behind the rain.

Oklahoma, ev'ry night my honey lamb and I, (every night we)
Sit alone and talk, and watch a hawk
Makin' lazy circles in the sky

We know we belong to the land
And the land we belong to is grand!
Yippie-I, Yippie-I, Yippie-I, Yippie-I, Yippie-I,
Yippie-I,

And when we say
Yeeow! A-yip-i-o-e-ay!
We're only saying you're doing fine Oklahoma! Oklahoma, OK.
Okla, Okla, Okla, Okla, Okla,
Okla, Okla, Okla, Okla,
Okla, Okla, Okla, Okla, Okla

We know we belong to the land, and the land we belong to is grand, and when we say,
Yeeow! I-lp-l-o-l-ay!
We're only saying you're doing fine Oklahoma, Oklahoma, OKLAHOMA. Oklahoma, Yeeow!

PHANTOM OF THE OPERA

WISHING YOU WERE SOMEHOW HERE AGAIN

You were once my one companion
You were all that mattered
You were once a friend and father
Then my world was shattered

Wishing you were somehow here again
Wishing you were somehow near
Sometimes it seem if I just dream
Somehow you would be here

Wishing I could hear your voice again
Knowing that I never would
Dreaming of you won't help me to do
All that you dreamed I could

MUSIC OF THE NIGHT

Slowly, gently night unfurls its splendour
Grasp it, sense it tremulous and tender
Turn your face away from the garish light of day
Turn your thoughts away from cold, unfeeling light
And listen to the music of the night

Close your eyes and surrender to your darkest dreams
Purge your thoughts of the life you knew before
Close your eyes, let your spirit start to soar
And you'll live as you've never lived before

ALL I ASK OF YOU

All I want is freedom,
A world with no more night;
And you, always beside me,
To hold me and to hide me.

Then say you'll share with me one love, one lifetime;
Let me lead you from your solitude.
Say you need me with you, here beside you,
Anywhere you go, let me go too,
Christine, that's all I ask of you

Say you'll share with me one love, one lifetime;
Say the word and I will follow you.

Share each day with me,
Each night, each morning.
Say you love me!
You know I do.
Anywhere you go, let me go to
Love me, that's all I ask of you.

Anywhere you go, let me go to
Love me, that's all I ask of you.

LES MISERABLES

WHO AM I

Who am I?
Can I conceal myself for evermore?
Pretend I'm not the man I was before?
And must my name until I die
Be no more than an alibi?
Must I lie?
How can I ever face my fellow men?
How can I ever face myself again?
My soul belongs to God, I know
I made that bargain long ago
He gave me hope when hope was gone
He gave me strength to journey on

Who am I? Who am I?
I am Jean Val jean!

AT THE END OF THE DAY

At the end of the day you're another day older,
And that's all you can say for the life of the poor.
It's a struggle, it's a war,
And there's nothing that anyone's giving.
One more day, standing about, what is it for?
One day less to be living.
At the end of the day you're another day colder,
And the shirt on your back doesn't keep out the chill.
And the righteous hurry past,
They don't hear the little ones crying...
And the plague is coming on fast, ready to kill.
One day nearer to dying!

One day nearer to dying!

I DREAMED A DREAM

I dreamed a dream in time gone by
When hope was high
And life worth living
I dreamed that love would never die
I dreamed that God would be forgiving

But the tigers come at night
(Do you hear the people sing)
With their voices soft as thunder
(Raise the flag of freedom High)
As they tear your hopes apart
(Every man will be a king)
As they turn your dreams to shame

He slept a summer by my side
He filled my days with endless wonder
He took my childhood in his stride
But he was gone when autumn came

MASTER OF THE HOUSE

Welcome, my dears
Sit yourself down
And meet the best
Innkeeper in town
As for the rest
All of 'em crooks
Roeking their guests
And cooking the books
Seldom do you see
Honest men like me

A gent of good intent
Who's content to be

Master of the house
Doling out the charm

Ready with a handshake
And an open palm
Tells a saucy tale
Makes a little stir
Customers appreciate a bon-viveur
Glad to do a friends a favor
Doesn't cost me to be nice
But nothing gets you nothing
Everything has got a little price!

Master of the house
Quick to catch yer eye
Never wants a passerby
To pass him by
Servant to the poor
Butler to the great
Comforter, philosopher,
And lifelong mate!
Everybody's boon companion
Everybody's chaperone

But lock up your valises
Jesus! Won't I skin you to the bone!

I used to dream
That I would meet a prince
But God Almighty,
Have you seen what's happened since?
Master of the house?
Isn't worth me spit!
'Comforter, philosopher'
- and lifelong twit!
Cunning little brain
Regular Voltaire
Thinks he's quite a lover
But there's not much there
What a cruel trick of nature

Landed me with such a louse
God knows how I've lasted
Living with this rascal in the house

ONE DAY MORE

One more day before the storm
Do I follow where she goes?
At the barricades of freedom
Shall I join my brothers there?
When our ranks begin to form
Do I stay and do I dare?
Will you take your place with me?
The time is now, the day is here

One day more!

One day more to revolution
We will nip it in the bud
We'll be ready for these schoolboys
They will wet themselves with blood (one day more)

Watch 'em run amuck
Catch 'em as they fall
Never know your luck
When there's a free for all
Here's a little 'dip'
There a little 'touch'
Most of them are goners
So they won't miss much

One day to a new beginning
Raise the flag of freedom high
Every man will be a king
Every man will be a king
There's a new world for the winning
There's a new world to be won

Do you hear the people sing?

My place is here, I fight's with you

One day more (**OVERLAPPING**)

I did not live until today
(we will join these people's heroes)
We will follow where they go
We will learn their little secrets
(how can I live when we are parted?)
I will know the things they know
(one day more)
Tomorrow you'll be worlds away
We'll be waiting for this day
Tomorrow we'll be far away
Tomorrow is the judgement day

Tomorrow we'll discover
What our God in Heaven has in store

One more dawn
One more day
One day more

A CHORUS LINE

God, I hope I get it
I hope I get it
How many people does he need?

God, I hope I get it
I hope I get it
How many boys, how many girls?

Look at all the people!
At all the people
How many people does he need?
How many boys, how many girls?
How many people does he...?

I really need this job
Please God, I need this job
I've got to get this job!

God, I really blew it!
I really blew it!
How could I do a thing like that?

Now I'll never make it!
I'll never make it!
He doesn't like the way I look
He doesn't like the way I dance
He doesn't like the way I...

(Instrumental)

God, I hope I get it!
I hope I get it
I've come this far, but even so
It could be yes, it could be no

How many people does he...?
I really need this job
Please, God, I need this job, I've got to get

Music and the Mirror

Give me somebody to dance for,
Give me somebody to show.
Let me wake up in the morning to find
I have somewhere exciting to go.

To have something that I can believe in.
To have something to be.
Use me
Choose me.

God, I'm a dancer,
A dancer dances!

Give me somebody to dance with.
Give me a place to fit in.
Help me return to the world of the living
By showing me how to begin.

Play the music.
Give me the chance to come through.
All I ever needed was the music, and the mirror,
And the chance to dance for you.

Play me the music,
Play me the music,
Play me the music.

Give me the chance to come through.
All I ever needed was the music, and the mirror, And the chance to dance!

DANCE TEN LOOKS THREE

Dance, ten, looks, three
And I'm still on unemployment
Dancing for my own enjoyment
That ain't it, kid, That ain't it, kid

Dance, ten, looks, three
Is like to die
Left the theater
And called the doctor
For my appointment to buy
Tits and ass
Bought myself a fancy pair
Tightened up the derriere
Did the nose with it
All that goes with it

Tits and ass
Had the bingo-bongos done
Suddenly I'm getting national tours
Tits and ass won't get you jobs
Unless they're yours

Tits and ass
Orchestra and balcony,
What they want is what you see,
Keep the best of you, do the rest of you!

Pits or class
I have never seen it fail
Debutante or girl or wife
Tits and ass
Yes, tits and ass
Have changed my life

ONE SINGULAR SENSATION

One singular sensation, every little step she takes
One thrilling combination, every move that she makes
One smile and suddenly nobody else will do. You know you'll never be lonely with you-know-who

One moment in her presence and you can forget the rest
For the girl is second best to none, son
Oooh! Sigh! Give her your attention
Do I really have to mention she's the one

One moment in her presence and you can forget the rest
For the girl is second best to none, son
Oooh! Sigh! Give her your attention
Do I really have to mention,
She's the, She's the, she's the one. One!

THE WIZARD OF OZ

SOMEWHERE OVER THE RAINBOW

Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream really do come true

Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star
And wake up where the clouds are far
Behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow
Why then, oh, why can't I?

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow
Why then, oh, why can't I?

If happy little bluebirds fly
Beyond the rainbow
Why, oh, why can't I?

BOWS / REPRISE

Birds fly over the rainbow
Why then, oh, why can't I?
